Financial Aid Applications

Information for Families Applying for Aid for the 2011-12 School Year

Thank you for your interest in St. Andrew's Episcopal Academy for the 2011-12 school year. You may begin to apply for financial aid starting on February 1, 2011, as described below. Financial aid is limited and awarded on a first come basis based on need. To be eligible for consideration for financial aid you must complete your application and submit tax information to school for verification. We will communicate decisions about financial aid as soon as available.

We use School and Student Services (SSS) to process financial aid applications. Based on the financial information you provide in the Parents' Financial Statement, SSS gives us an estimated amount your family can contribute to educational expenses. This estimate is a *starting point* to help us make fair and objective financial aid decisions. To begin your financial aid application for the 2011-12 school year, please follow these steps below. (You only have to complete one Parents' Financial Statement, even if you have several children applying.)

Why apply online? Your information will be delivered to us more quickly and accurately, allowing us to make a faster financial aid decision. You'll also save \$12.
